CROWDFUNDING - TURNING IDEAS INTO REALITY

/ education /

A practical and interactive workshop led by Zoran Rajn (founder and president of the Center for Social Innovation and Sustainable Development - CEDIOR & executive director of the International Center for Crowdfunding - ICFC), covering crowdfunding fundamentals, platform selection, campaign creation, legal considerations, and real-world case studies. Participants will engage in a hands-on exercise, transforming ideas into actionable crowdfunding campaigns.

! simultaneous interpretation EN - HR - EN!

17:00

URBAN REVITALIZATION – FROM IDEAS TO RESULTS

/ interactive panel – participatory space planning for community development /

An engaging, audience-driven discussion on urban revitalization through multi-stakeholder collaboration. Participants will explore real project results, share insights, and co-develop strategies for transforming public spaces based on community needs, fostering sustainable and inclusive urban development.

! simultaneous interpretation EN - HR - EN !

19:00

REAL UTOPIA - DON'T TALK WITH YOUR MOUTH FULL OF IDEAS!

/ networking event /

An evening of authentic local flavours and meaningful connections in the heart of the Ecomuseum. Guests will experience regional gastronomy, cultural heritage, and networking in a warm, traditional setting - an opportunity to exchange ideas, build collaborations, and celebrate community-driven initiatives.

! ISTRIAN DE DIGNAN - Ecomuseum, Narodni trg 8 / Piazza del Popolo 8 !
